SIGN TRUCK

The Stellar® Sign Truck features a 15-foot flat bed with behind the cab sign storage and five underbody tool boxes. The Stellar® model 6000MH hydraulic articulating crane has two 70" hydraulic extensions with a maximum horizontal reach of 26' 5" and a maximum vertical lift of 29'. The crane offers trend-setting advantages with heavy-duty hex boom construction and fully proportional radio remote control.

Adding to this combination is a single-man service crane basket with a 30" x 30" floor that provides more space for materials and increased productivity.
