Stellar Hires New Customer Service Representative

Garner, Iowa – Stellar Industries, Inc. has recently promoted Al Kuhlman as a Customer Service Representative. He will handle parts sales and technical assistance for Stellar customers.

Previously, Kuhlman spent two years as a truck assembler for Stellar where he was key in the final assembly of Mechanic and Tire Service trucks. He was also responsible for prepping chassis for mechanic truck packages and he also installed hydraulic pumps, PTO's, cranes, and compressors.

"I am looking forward to efficiently helping our customers and making sure that we continue to grow our strong customer base," says Kuhlman. "I am also looking forward to the challenge of helping frustrated people solve problems associated with their investment."

Kuhlman has an Associate of Arts degree from Waldorf College, is a certified welder and is certified with Allison Transmissions. He resides in Garner with his wife, Mysti, and their two children, Alexis and Hunter. In his free time he enjoys hunting whitetail deer, working on cars and spending time outdoors camping.

Stellar Industries, Inc. was founded in 1990. It is an employee owned and operated manufacturer of hydraulic truck mounted equipment located in North Iowa. Products include hooklifts, telescopic cranes, articulating cranes, and the X-Tra-Lift, as well as complete mechanic service truck packages, and tire service truck packages. Stellar is a progressive company that focuses on its people, as they are the key to making the products and the company successful.
