Stellar® Hooklifts Let You Do More With One Truck

MAXIMIZE DAILY PRODUCTIVITY WITH STELLAR'S INDUSTRY- LEADING HOOKLIFT LINEUP

A hooklift offers unparalleled productivity and versatility, and Stellar® NXT™ Series, Shuttle Series and Slider Series Hooklifts lead the way. With just one hooklift and one operator, you can handle a wide range of jobs per day. Just change the body and move on to your next task, quickly and easily.

Stellar Hooklifts are used in a variety of industries, including:

- + Construction
- + Government & Municipalities
- + Landscape & Tree Care
- + Rental
- + Waste, Recycling & Scrap

“

I picked Stellar for its reliability, consistency and ability to pick up heavy dumpsters. I needed something that wouldn't break down. That was a huge factor so the truck can stay on the road and do its job.”

Kyle McNaugh
Owner, Junk Rescue

NXT SERIES

The next level in hooklift design, NXT Series Hooklifts include innovative design features like a best-in-class lost load height, bolt-on body saddles, a unique bolt-on body latch system for universal adjustment inside and outside. In addition, the NXT24 and NXT30 models offer Short (S), Medium (M) and Long (L) options, providing customizable container lengths and hook heights for diverse needs.

Model	Capacity
